About Us

We work on bespoke cashmere sweaters since year 2013, providing an **Online Design Tool** for customers to design their own based on style, color and yarn. Enjoy your DIY online with fun! See our showroom below:

With over **25 years** of experience, our in-house manufacturing in China and marketing office in Denmark allow us to deliver high-quality, personalized sweaters worldwide. Our innovative online design tool offers complete customization, ensuring each sweater is crafted to perfection and delivered quickly to clients across the globe.

Complete Customization Online Tools

Customers can fully customize their sweaters using our online tool for personalization to meet individual preferences or business needs. The sweaters are fully customizable, likely in terms of design, color, size and fitting to ensure each sweater meets client specifications.
